NOTE: **124 hours are required for the degree.** 42 hours must be in upper division courses taken at TCU. If MATH 10283 is taken instead of MATH 10524, an additional hour is needed to meet the requirement of 124 hours. 9 hours of Humanities and 6 additional hours of Social Sciences must be covered in the HMT&V, or electives listed above. Be aware that many of the HMT&V courses couple with HE&E and will cover both requirements (max coupling is 24 hours).
COSC 40943 and COSC 40993 will cover the Writing Emphasis (WEM) requirement.
